PURCHASE OF MILITARY SUPPLIES.

LETTER

FROM

THE SECRETARY OF WAR,

TRANSMITTING,

IN RESPONSE TO A RESOLUTION OF THE SENATE FEBRUARY 28, 1919, THE NAMES OF ALL THE ARMY OFFICERS AND OF ALL OTHER PERSONS WHO SINCE THE DECLARATION OF WAR HAVE BEEN AUTHORIZED TO PURCHASE SUPPLIES FOR THE MILITARY ESTABLISHMENT.

AUGUST 7, 1919.—Referred to the Committee on Military Affairs and ordered to be printed.

WAR DEPARTMENT,
Washington, August 4, 1919.

SIR: In compliance with the Senate resolution of February 28, 1919, I am transmitting herewith the following reports from the heads of the different War Department services:

Director of Air Service.
Director of Chemical Warfare Service.
Chief of Construction Division.
Chief of Engineers.
Chief of Ordnance.
Chief Signal Officer.
Quartermaster General, Director of Purchase and Supply Service.
Surgeon General of the Army.
Chief of Transportation Service.

These reports are not complete, but are as complete as possible at this time. There are comparatively few officers from whom the information desired has not been obtained. The delay in obtaining this information is due to the fact that a great many of the officers involved had been separated from the service prior to the receipt of this resolution and others are in the American Expeditionary Forces.

As soon as this information is obtained from these officers it will be submitted in a supplementary report.

Respectfully,

NEWTON D. BAKER,
Secretary of War.

The PRESIDENT UNITED STATES SENATE.

UC263 .A5 1919

SENATE RESOLUTION FEBRUARY 28, 1919.

Resolved, That the Secretary of War transmit to the Senate the names of all commissioned officers in the Army, and of all other persons who, since the 6th day of April, 1917, have been authorized by the War Department to purchase ordnance, quartermaster, medical, and other supplies for the use of the Military Establishment of the United States, and to inform the Senate as to what interest as shareholders, partners, employees, or security holders such officers or persons may have, directly or indirectly, so far as the Secretary may be advised, in any corporation, company, partnership, firm, or business which has been awarded contracts for the furnishing of ordnance, quartermaster, medical, or other supply for the Military Establishment.
